MESSAGE FROM THE CHAIRMAN

The 'JC Group of institutions' is committed to provide an environment whereby synergies are put together in pursuit of the ultimate summit... EXCELLENCE!

In the emerging highly competitive world, there is obvious need to produce dynamic minds who can adapt to the changing scenario and complex situations and are innovative enough to face the diverse challenges effectively.

Today career are no longer clearly defined. Young men and women are at the thresh-hold of their career where they can make important decision to choose a course as a stepping stone for future. Of course, it is a tough situation but it is no less tough to decide the Institution whose standard of teaching is outstanding and exemplary in determining where one chooses to study the course.

Since the mission of the Group is to impart quality education, it constantly strives to attract good faculty, good students, provides good infrastructure and purposeful supportive environment in its Institutions. The Group, in fact, continues to look for excellence in every aspect of its activities to develop the students into leaders of tomorrow who will make name not only for themselves but also for their Institution and nation.

I take pleasure in welcoming all those young men and women aspiring to excel, in the years ahead, to join these prestigious courses as appropriate to their mission requirements.

Sunil Dalwadi
Chairman
JC Group of Institutions

SHREE J.C. EDUCATION AND CHARITABLE TRUST
SANSKAR EDUCATION TRUST

J.C. FRATERNITY

J.C. Group is an ever emerging and growing educational fraternity that believes in changing the face of education as per the excellence required for the new millennium.

The momentum we have gained as one of the Gujarat's most ambitious, innovative approach based learning institute has made us a natural Institute of choice for great many talented students, and the increases in applications to study here are a clear indication of our success.

REASONS TO CHOOSE US

- 1 **Innovative and relevant**
J.C Group has over a decade of experience of anticipating and responding to change. Our research contributes to deeper understanding of issues that touch all of us including sustainability, market competition, current economic expectations & training needs. Each year our students prepare for careers in fields like Management, Information Technology, Marketing, Human Resources, Finance, Clinical Research, & Biotech.
- 2 **A leading professional Institute**
Our courses are equipped with the latest professional knowledge. Our partners in industry and the professions contribute to course development and teaching. Our staff combines professional practice with teaching and research activity..

All our courses involve work-based learning – through projects, placements and workshops.
- 3 **Career-focused**
Course delivery and support services help you realize your career aspirations. Project work prepare students for professional life, and career planning provides focus from the start of your course. Our Careers Service is in regular contact with over 100 businesses and organizations that post vacancies and attend our events and career fairs. Career workshops and mentoring, volunteering and entrepreneurship schemes build confidence and experience. You will graduate with a qualification and real-world experience.
- 4 **Facilities fit for the twenty-first century**
Our modern campuses reflect our professional focus. Facilities enable students to build real-world skills and include: fully equipped classes, seminar Hall, Library, placements cell etc.
- 5 **Excellence in teaching and support**
Our courses and academic standards received the highest level of recommendation. After graduation the BIMS "Shikhar" (Alumni Association) offers personal and professional benefits.

TEAM OF J.C. GROUP

There has never been a more exciting time to embark on studies with the J.C. Group of Institutions. Our aim is to further develop the learning and support services that we provide to ensure that our students are well supported and have the opportunities to gain the skills to succeed in the global market place.

The Team of J.C. Group meets on the regular basis to discuss various changes that are required in the curriculum of courses as well as methodology for deliverance to keep the students at level with corporate expectations.

Following an extensive review process, which saw engagement with top employers, professional bodies, academics, the Government, current and prospective students, parents and teachers, the University has now taken significant steps to modernize the structure, content, delivery and flexibility of our degree program.

This comprehensive review and resulting proposals will help BIMS graduates to leave the Institute even more academically excellent and intellectually flexible, whilst also being critical thinkers, effective communicators and active citizens.

When you study at abroad, your degree will still have all the quality and depth of the traditional Indian degree, but will also offer you:

? **More Choice:** So you can study around your core subject to gain breadth and context; add a language, as an extra subject during the first year of your degree; or choose from a range of new multidisciplinary specializations .

? **Wider Opportunities:** So you can broaden your experience and skills through a choice of activities such as International Internship, work placements and voluntary work, all overseen by the Institution.

ABOUT BIMS

- ♦ BIMS is one of the Reputed B-School Since last 6 years.
- ♦ BIMS provides most advanced curriculum in Management and IT. Managed by group of learned administrators, expert faculties and educationists the institute provide cutting edge in this competitive educational scenario.
- ♦ The institute views effective governance & quality education as critical aspects. Thus leading to the increasing number of enrollments in each year.
- ♦ BIMS provides congenial learning environment for pursuing careers in management.

DISCOVER BIMS

We believe that study should be about exploration and discovery; it should be exciting and fulfilling, and always inspirational.

As a student at BIMS, you'll benefit from a modern approach to learning, backed by excellent facilities and high standards of teaching. Our range of Single and Dual degree Programs gives you the flexibility to take the subjects that interest you most, which means that you can take control of your studies.

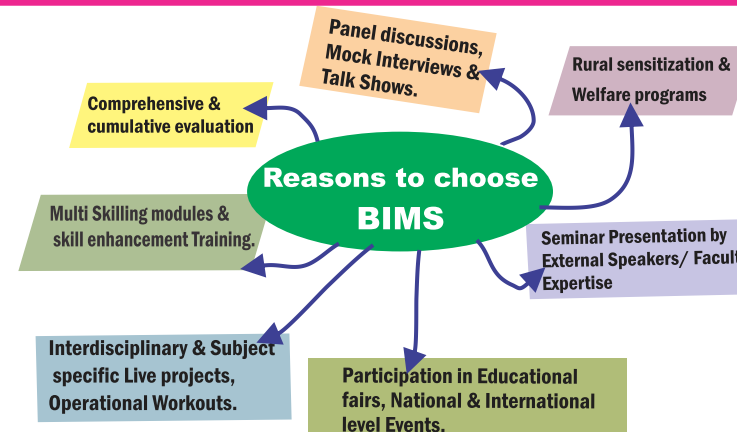

We'll also encourage you to try new subjects, and to take advantage of opportunities to experience other countries and cultures wherever possible.

We've been equipping students for exceptional personal and professional achievement. Our long history of working closely with industry ensures that our degrees meet employers' needs, and that our extraordinarily innovative practical program has a real impact on the health, wealth, culture, and well-being of our society. Our campus lifestyle fosters a welcoming, cosmopolitan community that offers something for everyone.

CREATING BENCHMARK IN LEARNING, CREATING DIFFERENCE...

Innovative Delivery Model

Faculty Expertise

The faculties are expert in their respective fields, who share their expert in-depth subject knowledge & extend their support services as well.

Language Drills

The institute has expert trainers for imparting language drills. Such language drills supplemented with language exercises & practical presentations help the students to focus, grasp and understand the language intricacies & thus gain confidence in interactive English.

Corporate trainers & Seminars Speakers

Keeping in view the requirement of the students for being trained professionals, the institute has strategic tie-ups with corporate trainers, who exhibit & deliver their respective tailor-made soft skills modules for our students. Through various brainstorming sessions, simulation exercises, role-playing, various activities & a blend of quality deliverances, the various soft skills & presentation skills required to be imparted are imbedded among students. Such modules prepare the students for any kind of environment challenges.

Live Projects

The Management & IT students are exposed to a wide range of live projects & operational work outs, which go hand-in-hand with the theoretical subjects. The main aim of such projects are to help the students gain practical exposure of the theoretical knowledge with corporate focus.

Internship & Dissertation

For skills and qualification to suit today's global needs, hands on experience at the real work place is equally important. Thus it is mandatory for the management students to undergo a two months internship project in their 3rd and 4th semester; this

Learning through Corporate Social Responsibility

Save the EARTH project a 5 year Initiative by J.C. Group

Save the earth is a 5 year long project initiative by J.C. Group to contribute it's bit in securing the right environment and help make the earth a better place to live.

Activities undertaken under this project during its 1st Year

- ? Walk back rally
- ? Bicycle rally
- ? Plantation days
- ? Adoption of VIP road for the plantation activities
- ? Clean your garden day
- ? Several presentations in various educational institutions by Promise club (a club formed by the students of BIMS)

MORE CERTIFICATIONS: BETTER OPPORTUNITIES!!!

Being certified means one can properly function on a certain job. This means, companies will easily hire a person with certification especially when certifications come from a reliable learning institution. In some ways, the company to which a certified person intends to apply for work will also benefit since the performance of the applying employee is being supported with a certification. If you are an expert, a certification is proof. If you are not yet an expert, the path you must take to become certified will provide you with the tools to become one. Hence certification is what you need to prove your worth. You may be real good, but how will the world know that? What is the guarantee, proof or degree? Hence the need for certifications!

1 " Believe: Certification in Career Development Module (CCDM) as a result of the step by step revision and requirement of the students at different stages of their duration at our institute getting them ready to take up the challenges in the real world through an effective shift from CAMPUS and CORPORATE.

Microsoft Academy: There is no universally accepted way to prepare for a job as an Information Technology (IT) Professional than through Microsoft Certifications. The continual study of new technologies is necessary to keep computer skills current. BIMS provides you with the same.

Foreign Language: A foreign language will be useful for some jobs or for some regions and a global career.

Event management: The event manager plans, executes an event with his team of professionals who are expert in various aspect of organizing an event from behind-the-scenes. Event managers as such are also engaged in not just planning and executing an event, as well as brand building, communication and creating marketing pitch with prospective clients. An event management certification is hence a proof of one's management skills.

Social Development: A certification in various social activities like the AIDS Awareness program, Save the earth etc.

helps one discover his/her inner sensitive side resulting in putting efforts in making earth a better place to live.

Corporate Participation: Various corporate events organized by BIMS like VCCI, BITA, Vadodara Marathon, Vadodara Carnival etc. helps students gain professional exposure through interaction with the various corporate resulting in them having an upper hand over their fellow competitors.

Business Badshaah: It is a sincere effort by the students to prove their mettle to the world wherein students are to set up a business of for about a week which

helps them bring out their entrepreneurship skills. Hence, the importance of the certificate.

When you pass out you will have: **DEGREE** + more than **9 (ADDED) CERTIFICATIONS**

INTERNATIONAL PEDESTAL

"Too many of us are not living our dreams because we are living our fears."

WHY DO OUR GRADS FIND JOBS? UNIQUE PLACEMENT CELL

We're so confident in our Graduates' ability on the JOB that we guarantee it.

GUARANTEE

Different sectors where our students got Placements & Internship
 • Telecom, Media, Banks, Infrastructure, Logistic, Manufacturing, Insurance (Life + General) Pharmaceuticals, Financial Co's, Retails etc.

Going to university represents a major investment in your future. We won't just deliver you courses - we also offer a special combination of support and opportunities which will help you to plan and prepare for your career, and boost your employability.

1. Courses Designed for Employment

We collaborate with employers from the earliest stages of course design and experts from industry and the professions contribute to teaching. This ensures that the content and structure of your course is professionally focused and relevant, and means you will enter the world of work with the range of skills required for success in your chosen field.

Students complete a rotation of at least two industrial trainings with some of the most prestigious companies. The combination of academic study, industrial placements and validated workplace learning offered by the program gives our graduates a competitive edge.

2. Course Leading to International Career

Baroda Institute of Management Studies has a Unique Partnership with University of Dallas USA & Management development Institute of Singapore, Bournemouth University UK, Tafe Hunter Institute Australia, University of Ballarat Australia for Twinning, 1 Year Graduation Abroad & Semester Program for the students Studying in BIMS.

3. Placements and Work Experience Opportunities

Most of our courses involve work-based learning - this can be through workshops, short work placements or up to a Semester in the workplace (usually your last semester), where you can apply the skills learned at BIMS in real situations, gain valuable experience that looks great on your CV and make important contacts. We have placement Coordinator who will help you find the right placement for you and support you throughout your time in the workplace.

4. Career Planning Agreements for Every Student

Course leaders and careers counselors will encourage and support you in your career planning. There will be opportunities for you to develop skills in areas such as self-assessment, goal-setting, job search and the transition to work, either as part of your course or through additional activities. Project work and learning from real-life problems and environments.

Many of our degrees focus on project work and incorporate real-life problems. You may find yourself working in a project team with students studying other subjects, in the same sort of team situations and collaboration you will find at work.

5. Business Mentors Support Students

Momentum is a well-established, the scheme which connects participating students with a mentor in the business community. Over the period of the scheme student and mentor work together to develop the student's skills in networking, presenting skills or other areas identified by the student as key to future career success.

POST GRADUATE DIPLOMA IN MANAGEMENT

AICTE APPROVED
PGDM

OBJECTIVES

- To prepare Graduates for a management career through AIMA's unique blend of quality and flexibility.
- To enable working professional to rise in their organizations. To facilitate growth in managerial and business arena.

ELIGIBILITY

- Defence personnel and graduates with 50% and above marks are exempted from the entrance tests.
- Graduates with less than 50% marks are required to apply along with valid MAT / CAT / XAT / ATMA / other state level entrance test score.

The PGDM is the most sought-after programme of AIMA-CME.

It is being offered since 1993 and is widely acclaimed for its strong curriculum in the industry and academic circles. It is designed not only to impart the knowledge of core subjects such as accounting, economic, finance and marketing but it also lays special stress on developing skills and competencies through exposure to real business situation in the form of case studies. AIMA leverages its close linkages with the industry to assess emerging needs and factors them onto its programmes.

MASTER OF COMPUTER APPLICATION (MCA)

Duration : 3 Years / 6 Semester
: 2 Years / 4 Semester

Award: M.Sc.-MCA
Duration: 3 Years/6 Semester
PGDCA - 1 Year/2 Semester

OBJECTIVES

- The course aims at realizing the following objectives.
- Providing specialization in computer science with technical, professional & communications skills.
- Train future industry professionals. Increasing technological awareness.
- Encouraging effective quality software development.

ELIGIBILITY

- 3 years Graduation
- Lateral entry to the second semester of MCA 3 years Graduation & Six months computer course from a reputed institution.
- Lateral entry to the third semester of MCA B.Sc. IT / BCA / B.Sc. (IT/CS/AIT) / BE / B.Tech. (IT/CS/E&C/E&E) from a recognized university 3 years Graduation with PGDCA / PGDIT or equivalent from a recognized University / successful computer of A level course from DOECC after graduation.

PGDCA

FIRST SEMESTER

Title	Credits
Computer Programming 'C Language'	4
Digital Systems, Computer Organization & Architecture	4
Discrete Mathematics	4
Basic Web Development(HTML, Stylesheet etc.)	4
Financial Management & Accounting	4
Total Credits	20

SECOND SEMESTER

Title	Credits
OOPS using C++	4
Database Management System (DBMS & Oracle)	4
Data Structure using 'C'	4
System Analysis & Design (SAD)	4
Operating System with Unix	4
Total Credits	40

M.Sc. CS

THIRD SEMESTER

Title	Credits
Software Engineering	4
Computer Graphics	4
System Programming	4
Statistical & Numerical Methods using C++	4
Computer Network	4
Total Credits	60

FOURTH SEMESTER

Title	Credits
Management Information Systems	4
Advanced Database Systems	4
Java Programming	4
Computer Based Optimization Methods (Statistics / Applied) OR Analysis & Design of Algorithms	4
Total Credits	80

MCA

FIFTH SEMESTER

Title	Credits
.(DOT) Net Technologies	4
Theory of Computer Science	4
Object Oriented Analysis & Design using UML	4
Software Project Management & Quality Assurance	4
Advanced Operating Systems (Distributed System)	4
Total Credits	100

SIXTH SEMESTER

Title	Credits
Digital Image Processing	4
Internetworking with TCP / IP	4
Data Warehousing & Data Mining	4
Project	8
Total Credits	120

POST-GRADUATION PROGRAM IN LEADERSHIP EXCELLENCE (PGPLE)

Duration : 2 Years / 4 Semester

OBJECTIVES

- ? The course aims at realizing the following objectives.
- ? Providing specialization in computer science with technical, professional & communications skills.
- ? Train future industry professionals. Increasing technological awareness.
- ? Encouraging effective quality software development.

ELIGIBILITY

3 years Graduation

FIRST SEMESTER

Title	Credits
Buss. Process Re-Engg. (BPPE)	2
Corporate Excellence	2
Foreign Language	
Total Credits	4

SECOND SEMESTER

Title	Credits
Leadership & Team Management	2
English	2
Experiential Projects, workshops & exercises	
Total Credits	8

THIRD SEMESTER

Title	Credits
Logical Reasoning & Problem Solving (R.S. Agrawal)	2
Corporate Psychology	2
Experiential Projects, workshops & exercises	
Total Credits	12

FOURTH SEMESTER

Title	Credits
Customer Relations & Corporate Image	2
Experiential Projects, workshops & Case-studies	
Total Credits	14

FIFTH SEMESTER

Title	Credits
Quantitative Techniques For Competitive Exams	2
Soft Skills-(Part-1)	2
Experiential Projects, workshops & Case-studies	
Total Credits	18

SIXTH SEMESTER

Title	Credits
Entrepreneurship & Small Business	2
Soft Skills (Part-2)	2
Experiential Projects, workshops & Case-studies	
Total Credits	22

MASTER OF COMMERCE (M.COM)

Duration : 2 Years / 4 Semester

ELIGIBILITY

3 years graduation

FIRST SEMESTER

Title	Credits
Advanced Financial Accounting	4
Management Concepts and Organizational Behavior	4
Corporate Financial Management	4
Economics for Managers	4
Total Cumulative Credits	16

Total Cumulative Credits	32

FOURTH SEMESTER

Title	Credits
Management of Financial Services	4
Direct Taxes-Law and Practice	4
Management Information System	4
Investment Management	4
Total Cumulative Credits	64

REFLECTION

This bi monthly Newsletter of J.C. Group will give its readers an insight in to all the important happenings of the institute on its academic & to curricular front. J.C. Group has always been very active in terms of arranging meaningful initiatives to keep our readers and stakeholders more informed & updated.

YOUR ALUMNI ASSOCIATION: 'SHIKHAR - THE PINNACLE'

Alumni Meet brings together a wealth of talented and capable professionals who Share their expertise and experience, and brainstorm on the prospective Avenues.

Our alumni association that is named as SHIKHAR -THE PINNACLE is targeted for the growth and development as well as...help the students to reach the top through various program and events which the college would be sponsoring time to time for its alumni students.

All passed out students will automatically become the members of 'Shikhar...the Pinnacle'.

THE EXECUTIVE EXCELLENCE

This is an open publication for youth of the city, this initiative of BIMS highlights the factors that today's youth should inculcate in themselves to finally shape up as a desired professional.

MASTER OF ARTS (MA)

Duration : 2 Years / 4 Semester

ELIGIBILITY
3 years graduation

Program structure - History

FIRST SEMESTER

Title	Credits
History: Its Theory And Methods	4
Political History Of India Up To Ad 1000	4
Cultural Heritage Of India Up To 1707	4
Economic History Of Modern India (1757-1947)	4
Total Cumulative Credits	16

THIRD SEMESTER

Title	Credits
Research Methodology	4
History Of Freedom Movement In India (1857-1947)	4
Religious And Social Movements In India	4
History Of Science And Technology In India & The West	4
Total Cumulative Credits	48

SECOND SEMESTER

Title	Credits
India Under The Delhi Sultanate (1206-1526)	4
History Of India Under The Mughals (1526-1761)	4
Indian Art And Architecture	4
Twentieth Century World (till 1914)	4
Total Cumulative Credits	32

FOURTH SEMESTER

Title	Credits
Twentieth Century World (1919-2000)	4
Contemporary History Of India Since 1947	4
India And Her Neighbours	4
History Of Usa (1900 -2000)	4
Total Cumulative Credits	64

Program structure - Political Science

FIRST SEMESTER

Title	Credits
Theories And Approaches To Political Science	4
Western Political Thought	4
Public Administration	4
Spocio- Economic Development Of India	4

Political Processes In Indian Political System	4
Indian Political Thought	4
Comparative Politics And Governments	4
India Administration	4
Total Cumulative Credits	32

FOURTH SEMESTER

Title	Credits
Political Economy	4
India's Foreign Policy	4
Dynamics Of International Politics	4
Human Rights	4
Total Cumulative Credits	64

Shree J.C. Institute of Medical Science
A College for Allied Health Sciences

INCEPTION...

"Shree J.C. Institute of Medical Sciences" is run by "Shree J.C. Educational and Charitable Trust" (J.C. Group of Institutions) since last 7 years.

Shree J C Institute of Medical Sciences (JCIMS) is one wing of the J.C. Group of Institutions, which offers courses in Allied health Sciences and Applied sciences. At its inception, under allied health sciences, JCIMS began with offering of Bachelors program in Biotechnology.

In the recent years, JCIMS has launched few advanced and impending courses of science at post graduation level viz MSc in Clinical Research, MSc in Biotechnology & MBA in Health care Services.

JCIMS has always embodied Excellence. It has always emphasized on quality education and has been successful in enhancing the practical skills of the students besides providing theoretical field knowledge. The biotechnology Dept of JCIMS has good pool of faculties, which comprises of expert academicians. Faculties always emphasize on practical application based learning through discussion of case studies, regular practical sessions and presentations. Such practical based approach is adopted to give students idea of the present scenario of their field and to make students familiar with the environment in the R& D sectors of the industries & to encourage research.

Besides academics, JCIMS has always offered modules and workshops as a part of career development programs focusing on communication skills, soft skills and job readiness for holistic development of the students.

How Do Employers Benefit from BIMS Students?

By recruiting students from the BIMS here's how your organization gains a competitive edge.

Industry Acceptance

About 40% of students have prior work experience and therefore are not raw to the industry. They have shown better adjustment and efficiency levels as soon as they start their careers.

Industry Relevant Curriculum

BIMS makes sure that its students receive an education that is not just of high quality but relevant to today's industry and highly competitive global market place.

The Program offers a unique blend of theoretical and cutting-edge inputs to students, making them technically well-rounded professionals.

DISCOVER
GOLDMINE
OF TALENT
@BIMS

"J.C. Group of Institutions is founded with a basic belief that education is the best and most cherished treasure that anyone can possess. It is that thinking, which has made it a flagship group in the educational world. Be it a Management, IT, Bio Tech or Health care course, a rich curriculum, good infrastructure and tireless efforts of faculties, have led students into reputed corporate houses. While striving for students and society as a whole, BIMS creates global citizens with a sound value of honesty and integrity."

BACHELOR OF SCIENCE IN APPLIED BIO-TECHNOLOGY (B.Sc. BT)

Duration : 3 Years / 6 Semester

OBJECTIVES

? Providing in depth training in both theoretical & practical aspects of various topics like Molecular and cell biology, Tissue culture and core areas of biotechnology like Medical biotechnology, Industrial biotechnology etc.

? To generate skilled manpower that will have expertise in various applications of Biotechnology.

ELIGIBILITY

- ? (Group B)
10+2 or equivalent with Biology & Chemistry.
- ? (Group A)
10+2 or equivalent in Science (Without Biology).

PRACTICAL SESSIONS

The program aims at providing exhaustive practical training to enhance students practical skills. As a part of course requirement, there are three practical subjects, one each in II, IV & VI semesters.

PRACTICAL COURSES

The B.Sc. BT students have to undergo mandatory practical course once a year as a part of the course requirement. There will be three practical subjects, one each in II, IV and VI semesters. Each practical course is of four credits. On the last day of each practical course, there will be an examination. Out of the 100% marks, 70% is meant for continuous assessment over the duration on the practical course and 30% for the practice course. It is compulsory for all the students to attend the practical courses.

PRACTICAL SCHEDULE

Year	Course
1st	Cell Biology & Bio-Chemistry
2nd	Genetics and Microbiology
3rd	Immunology & Molecular Biology

FIRST SEMESTER

Title	Credits
Chemistry (organic & Physical)	4
Bio-Chemistry-I	4
Biology of Plants	2
Biology of Invertebrates	2
Biology of Chordates	2
Communication Skill in English	2
Total Credits	16

SECOND SEMESTER

Title	Credits
Basics of IT & Windows based application	4
Bio-Chemistry-II	4
Cell Biology	4
Practical-I: Cell Biology & Bio-Chemistry	4
Total Credits	32

THIRD SEMESTER

Title	Credits
Introduction to Bio-Technology & Bio-Informatics	2
Microbiology	4
Bio-Physics	2
Bio-Statistics and Mathematics	4
Genetics	4
Total Credits	48

FOURTH SEMESTER

Title	Credits
Molecular Biology	4
Molecular Genetics	4
Immunology	4
Practical-II: Genetics and Microbiology	4
Total Credits	64

FIFTH SEMESTER

Title	Credits
Developmental Biology	4
Cell & Tissue Culture	4
Plant and Animal Bio-Technology	4
Environmental Bio-Technology	4
Total Credits	80

SIXTH SEMESTER

Title	Credits
Medical Bio-Technology	4
Industrial Bio-Technology	4
Bio-Ethics and IPR	4
Practical-III: Immunology & Molecular Biology	4
Total Credits	96

MASTER OF SCIENCE IN APPLIED BIO-TECHNOLOGY (M.Sc. BT)

Duration : 2 Years / 4 Semester

PROGRAM STRUCTURE

The course aims to expose students to advanced aspects of varied areas in biotechnology making them well versed with practical aspects, industrial scenario and its applications at large. It is unique blend of basics & its applications in different specialized areas, which encourage research and commercial sectors which can be deemed to give large revenue generations.

OBJECTIVES

- ? To focus specialized & advanced areas of the field with the aim of training students, on the basis of sound theoretical knowledge along with hands on practical training.
- ? To encourage research & generate skilled manpower.

ELIGIBILITY

- 2 years Graduation
- ? Graduate from a recognized University in any area of Life Sciences (Biotechnology/Botany/Zoology/ Microbiology/Genetics/ Biochemistry/Environmental Science/Sericulture/Home Science/Food and Nutrition/ Food Science/Agriculture/Dairy technology/ Horticulture/Forestry/Fisheries/Agiculture)
- ? Graduate from a recognized University in Health Sciences (MBBS/ BDS/ BAMS/BHMS/ BUMS/ BVSc/ BSSM/ BNYS)
- ? Graduate from a recognized University in Allied Health Sciences (BMLT/BScMLT/BPT/BMIT/BScMIT/BHIA/ BScHIA/BOT/BSc (Sp & Hg)/BASLP/BSc Opt/Pharmacy (B.Pharma.)
- ? BE or B.Tech. in Biotechnology/Industrial Biotechnology/Food Technology

PRACTICAL SESSIONS

The program aims at providing exhaustive practical training to enhance student's practical skills. Practicals are conducted on various specialized areas as Pharmaceutical Biotechnology, Immunotechnology, Enzymology, Computational Biology & Genetic Engineering etc.

FIRST SEMESTER

Title	Credits
Cell Biology and Genetics	4
Immunology	2
Bio-Chemistry	4
Linux	2
Mathematics and Statistics	4
Total Credits	16

SECOND SEMESTER

Title	Credits
Molecular Biology	4
Biological Databases and Sequence Analysis	4
Programming for Bio-Informatics I (C Programming)	4
Programming for Bio-Informatics II (Python, HTML, XML)	2
Project	2
Total Credits	32

THIRD SEMESTER

Title	Credits
Genomics	2
Proteomics	2
Programming for Bio-Informatics III	4
Programming for Bio-Informatics IV (Java Programming)	2
Database Management Systems	4
Total Credits	48

FOURTH SEMESTER

Title	Credits
Drug Design & Discovery	4
Algorithms in Bio-Informatics	4
Data Ware Housing & Data mining	4
Project	4
Total Credits	64

We have a long-established reputation of J C Group's Education development that is of the highest quality.

"J.C Group of Institutions is founded with a basic belief that education is the best and most cherished treasure that anyone can possess. It is that thinking, which has made it a flagship group in the educational world. While striving for students and society as a whole, BIMS creates global citizens with a sound value of honesty and integrity."

Umesh Pandya (Vice Dean)

"Effective teaching and education extension activities, constantly seek to strengthen the ongoing process of management and extend the frontiers of management knowledge. we at BIMS nurture faculties and make available an elite scholastic environment that is highly conducive for learning and creativity."

Neeraj Nanda (HOD Management)

"BIMS believes in transforming campus students to Corporate Executive with Soft Skill training, company interface, organizing seminars, workshops and many such professional events, hence this enable students to prepare for challenges of getting placed in their dream organization with respectable package".

Navneet Sabharwal (HOD - Placements Dept.)

One of the principal lessons that we impart taught at the college, is the lesson of spreading humanity and generosity amongst our society. We conduct Girl's education awareness camp to encourage the female contributions in building tomorrow and we organize Blood donation camps to realize how precious & humane it is, to save a human's life.

On one hand We educate the youth of India as today, about their Voting rights and its significance through voting Campaigns, and on another hand We make donations of books and pencils to the innocent children who live in the orphanages.

SK Institute of Management and Research Studies is the new vibrant venture of the established educational hub - JCIMS. Managed by a group of highly acclaimed educationists, reputed faculties & enthusiastic administrators, JCIMS has carved a niche for itself in the field of Quality Education.

SK Institute of Management and Research Studies (SKIMAR) is founded with the main focus to develop professionals for the sunrise industry of Clinical Research and Regulatory Affairs.

Clinical Research Scenario In India

India has one of the largest populations for most diseases with genetic diversity. Combined with a large pool of qualified medicos and above average implementation of Good Clinical Practices (GCP) as per the International Conference on Harmonization (ICH) standards, it has been attracting serious global interest as a site for Clinical Research. Conducive business environment, resourceful manpower, reasonable time frame for completion of the trials and favorable regulatory norms also have contributed to make India the most sought after destination for outsourcing of clinical trials by MNCs, CROs and Pharma companies. Recent Mc Kinsey report says that Indian market for clinical trials will swell more than \$ 1 billion within a span of next two years.

- Pharmaceutical / Biopharmaceutical / Biologics
- Contract Research Organization
- Clinical Study Investigative sites (Includes Academia, Medical Research Facility)
- Drug Development, Clinical Trials Consulting Company
- Medical Devices
- Trial/Site Mangement Organization(TMO/SMO)
- Independent CRA
- Clinical Laboratories
- Government
- Other

MASTER OF SCIENCE IN CLINICAL RESEARCH & REGULATORY AFFAIRS (M.Sc.CRRA)

Duration :
2 Years / 4 Semester

OBJECTIVES

The course aims at realizing the following objectives

- Providing students with the requisite knowledge that will enable them to pursue a career in clinical research industry.
- Give students an in-depth training in both the theoretical and practical aspects of clinical research regulatory affairs and clinical data management in the clinical research industry.

ELIGIBILITY

Graduates from a recognized university in Health Sciences (MBBS/DBS/BAMS/BHMS/BUMS/BVSc) OR

Graduates from a recognized university in Allied Health Sciences (BMLT/B.Sc.MLT/BPT/BMIT/ B.Sc.MIT/BHIA/B.Sc.Hla/BOT/B.Sc.(Sp & Hg)/ BASLP/B.Sc. OPT/Pharmacy (B Pharm.) OR

Graduate from a recognized University in Life-Science (Bio-Tech/Botany/Zoology/Microbiology/ Nursing/Homescience/Food and Nutrition.

FIRST SEMESTER

Title	Credits
Fundamental of Clinical Operations	4
Regulatory Affairs - I	2
Clinical Data Management - I	2
Statistics for Clinical Research	2
Basics of Pharmacy, Drug discovery & development	2
Total Credits for compulsory subjects	12

OPTIONAL SUBJECTS

Human Biology - I*	2
Human Biology - II*	2
Basics of Health & Nutrition*	2

Students have to choose any two subjects (Total of 4 Credits) from optional subjects
Total Credits 16

* Exempted for Health Sciences / Allied Health Sciences / Pharmacy graduates and graduates in B.Sc. Nursing

SECOND SEMESTER

Title	Credits
IPR & Data Exclusivity, Bioethics in Clinical Research	2
Regulatory Affairs - II	4
Preclinical Studies: Safety & Efficacy	2
Clinical Data Management - II	4
Total Credits for compulsory subjects	12

OPTIONAL SUBJECTS

Basics of Molecular Biology & Biotechnology#	2
Basics of Epidemiology	2
Pharmacology*	2
Review & Seminar	2

Students have to choose any two subjects (Total of 4 Credits) from optional subjects
Total Credits 16

Exempted for graduates with B.Sc. in Bio-Technology / B.Sc. in Microbiology

* Exempted Health Science Graduates

FOURTH SEMESTER

Title	Credits
Project Management & Business Development	2
Audit & Inspections	2
Pharmacovigilance & Safety Monitoring Reporting & Medical Writing	2
Internship	4
Total Credits for compulsory subjects	12

OPTIONAL SUBJECTS

Applied Medical Transcription*	2
Pharmaceutical Bio-Technology	2
SAS Certification#	2

Students have to choose any two subjects (Total of 4 Credits) from optional subjects
Total Credits 16

* Exempted for graduates with B.Sc. in Health Information Administration
#2 Credits will be awarded to students who have independently undergone SAS training and have obtained Sylvan Prometric - SAS Certification.

THIRD SEMESTER

Title	Credits
Clinical Studies : PK, BA, BE	2
Botanicals, Food & Nutraceuticals	2
Clinical Data & Management - III	2
Special Regulatory Processes	4
Project : Protocols & Application	2
Total Credits for compulsory subjects	12

OPTIONAL SUBJECTS

Human Genetics*	2
Pharmacogenomics	2
Case Studies and Seminar	2

Students have to choose any two subjects (Total of 4 Credits) from optional subjects
Total Credits 16

* Exempted for Health graduates and with B.Sc. in Bio-Technology / B.Sc. in Microbiology

Provision for Direct-entry into third semester of M.Sc.CCRA

The students who have successfully completed all the subjects of Diploma in Clinical Research and Regulatory Affairs (DCRRA) or Diploma in Clinical Research/Bioavailability and Bioequivalence (DCR-BA&BE) of Manipal University are eligible to seek admission to third semester of MScCRRA Program directly with Credit transfer facility.

In order to have more details on credit transfer, please send an email to smuhelpdesk@smudde.edu.in For credit transfer pertaining to diploma/programs from other universities, the HOD shall review and decide on a case-by-case basis.

Provision for Re-entry to third semester of M.Sc.CCRA

ELIGIBILITY

PGDCRRA of SMU (Revised Fall 2009)

MINIMUM DURATION: 1 year (2 semesters)

MAXIMUM DURATION: 2 years

NOTE: A maximum gap of one year is allowed for the student to get admitted under this scheme after the completion of PGDCRRA. Students are required to submit Additional Form for choosing / claiming exemption in Optional Papers

Post Graduate Diploma in Clinical Research and Regulatory Affairs

After successful completion of first two semesters of MSc CRRA, if a student wishes to discontinue, such a student shall be awarded the Post Graduate Diploma in Clinical Research and Regulatory Affairs as an exit qualification.

Career Opportunities

The novel post graduate program at SKIMAR provides the necessary training for graduation in order to develop diverse careers for various industries like Contract Research Organizations, Government Agencies, Pharmaceutical Companies & Academia as:

- ? Clinical Research Associates / Data Coordinators
- ? Managers : Clinical Research / Clinical Project
- ? Managers : Business Development / Regulatory Affairs
- ? Drug Development Associates
- ? Medical Writers / Biostatisticians

MASTER OF BUSINESS ADMINISTRATION IN HEALTH CARE SERVICES (MBA HCS)

Duration :
2 Years / 4 Semester

In today's highly competitive and rapidly evolving healthcare market, healthcare professionals and managers need more than just medical training to succeed. This course is designed to equip healthcare professional with the knowledge, skills and educational expertise necessary to master modern business principles which are necessary in solving complexities, arising in healthcare services organizations and for career advancement in the healthcare industry.

OBJECTIVES

- ? To develop the essential management skills required to meet & participate in an increasingly competitive business environment and with special focus on the Healthcare sector.
- ? To provide theoretical and practical knowledge of healthcare services and hospital organization, operations and planning.
- ? To communicate effectively through writing and in interpersonal communication.
- ? To give the student a starting edge in the Healthcare Industry.

ELIGIBILITY

3 years graduation or equivalent

FIRST SEMESTER

Title	Credits
Management Process & Organizational Behavior	4
Business Communication	4
Statistics for Management	4
Financial & Management Accounting	4
Managerial Economics	4
Human Resource Management	4
Total Credits	24

SECOND SEMESTER

Title	Credits
Production & Operations Management	4
Financial Management	4
Marketing Management	4
Management Information System	4
Operations Research	4
Project Management	4
Total Credits	48

THIRD SEMESTER

Title	Credits
Research Methodology	4
Legal Aspects of Business	4
Health Administration	4
Hospital Organization, Operation & Planning	4
Hospital & Healthcare Information Management	4
Finance, Economics & Material Management in Healthcare Services	4
Project@	4
Total Credits	72

FOURTH SEMESTER

Title	Credits
Strategic Management & Business Policy	4
International Business Management	4
Public Relations & Marketing for Healthcare Organisation	4
Management of Healthcare Human Resources	4
Legal Aspects in Healthcare Administration	4
Quality Management in Healthcare Service	4
Project@	4
Total Credits	100

LEARNING BY DISTANCE EDUCATION

DIRECTORATE OF DISTANCE EDUCATION (SMU - DDE)

The Directorate of Distance Education (SMU - DDE) of the university is committed to provide career-oriented educational programs at the Diploma, Bachelor's, Post Graduate Diploma and Master's levels.

OBJECTIVES OF THE DISTANCE EDUCATION PROGRAM

- ? To provide high quality, value-based, career-oriented education to students and working professionals
- ? To facilitate students in understanding, developing, integrating and applying both core and specialized concepts and practices
- ? To provide students with a stimulating and learning - friendly atmosphere so that they can utilize their intellectual capacities to specialize in various areas of study
- ? To produce energetic, effective, efficient and ethically driven graduates and postgraduates to serve society

Vidhyadeep is a nationwide scholarship offered to 1500 meritorious and deserving students of Sikkim Manipal University-Distance Education (SMU-DE) programs. This scholarship is a first of its kind in the field of distance education in the country.

THE UNIVERSITY & ITS RECOGNITION

The Sikkim Manipal University of Health, Medical & Technological Sciences (SMU) is incorporated under the State Legislative Act (Act IX of 1995) of the government of Sikkim. It is recognized by the Union Minister of Human Resource Development and the University Grants Commission. SMU's Degree / Diploma certificates are recognized by all member of the Association of Indian Universities (AIU) and are at par with Degrees / Diplomas / Certificates of all Indian universities / deemed universities / institutions vide UGC Circular No FI-B/92 dated February 1992 and AIU Circular No EV-B(449)/94/196915-177115 dated January 1994.

Provision for lateral entry to the Second Semester of MBA HCS (First Level)

- ? BBA / BBM from a recognized university
- ? 3 years graduation with PGDBA from AICTE recognized institution
- ? 3 years graduation with 6 months management diploma from an institution and minimum 1 year managerial / supervisory experience in a reputed organization thereafter
- ? 3 years graduation and minimum 3 year managerial / supervisory experience in a reputed organization thereafter
- ? MBBS / BDS / B.Pharm. / BHMS / BUMS / 4 years graduation in Allied Health Science courses from a recognized University

Note: In the lateral entry scheme, students have to appear and pass first semester exams. Book of first semester will be supplied by the University and internal assessment will be completed at the Learning Centre.

Master of Arts (MA)	2 years (4 semesters)	* Graduate

LATERAL ENTRY SCHEME FOR UNIVERSITY PROGRAMS

Most of the programs are designed for multiple entry and exit. The candidates can enrol for the programs based on basic qualification and lateral entry qualification.

Basic Qualification: For graduation, basic qualification is 10+2 OR equivalent. For post graduation, basic qualification is 3 year graduation or equivalent. The specific provisions are indicated under respective program headings.

Lateral Entry Qualification: Lateral entry is an opportunity given to a candidate having the basic qualification and previous qualification in the relevant field to enter a higher semester.

However such students will be required to appear and qualify in the previous semesters / relevant papers.

Candidates may exit the program at any stage and will get the corresponding Diploma/PG Diploma based on number of semester/examinations completed at the time of exit. The various entry and exit points for all the programs are illustrated below graphically. The details of eligibility criteria and fees structure of lateral entries are indicated in respective program headings.

Shannen School

CONCEPT OF SHANNEN

- ? As parents & as educators the most precious gift we can make to a child is to love to learn
- ? The parents & educators should train the child to educate himself, to develop his own intellectual, moral, aesthetic & practical capacities and to grow freely to arouse in them the desire for knowledge and progress
- ? The school provides all the required material needed for the study. Emphasizing the slogan of burden less education with more of conceptual learning based on life - skilled methods

Shannen School (CBSE)

MESSAGE FROM MANAGING DIRECTOR

“Every hardship, every joy, every temptation is a challenge of the spirit, that the human soul may prove itself. The great chain of necessity where we are bound has divine significance and nothing happens which has not some service in working out the sublime destiny of the human soul.”

Dr. Shilpa Dalwadi
Managing Director

OUR GOAL IS TO SETUP A NEW HEIGHT FOR BURDEN LESS EDUCATION

A Genuine Concept School

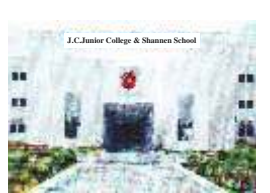

11th & 12th
SCIENCE & COMMERCE
GUJARATI & ENGLISH MEDIUM

About CRACK

CRACK is a division of Baroda Institute of Management Studies (BIMS) started with a view to give new heights and directions to professional studies like CA, CS, CWA and many more. We at CRACK are dedicated to provide world class knowledge for professional courses and helping students to reach new heights in their respective fields.

CA Chartered Accountant (CA)

Chartered accountancy is one profession that has remained as lucrative and attractive during the period of recession, as other profession had once boasted of. Chartered Accountants are industrious and intelligent beings. The domain of business is an ever changing process that has established this career to be the most profitable.

CA- Road Map :

CA-CPT :

CPT is an entry level test for CA Course.

CONVOCATION

(2009 & 2010)

(2010 & 2011)

(2011 & 2012)

LIFE OUTSIDE THE CLASSROOM

When it comes to the student experience, we feel that what happens outside the classroom is just as important as what happens inside. With that, we are committed to attracting and retaining students who reflect our institutional values and those of our community including the importance of having respect for others and the creation of a positive relationship between students, faculties, staff, administration and the community.

FELICITATION OF LEADING EDUCATIONISTS

This is a proud tradition of J.C. Group to recognize the prominent personalities from the education fraternity and to felicitate these pillars of knowledge to proclaim the appreciations for their great contribution and add value to their real matchless worth and efforts.
